SÉLECTION LAURENCE FÉRAUD 2008 CÔTES DU RHÔNE VILLAGES SÉGURET

In addition to running the legendary Châteauneuf-du-Pape estate Domaine du Pegau with her father Paul, Laurence Féraud manages a successful negociant wine business under the "Sélection Laurence Féraud" label. HPS is the exclusive U.S. importer of these fantastic wines, which are true gems of the Southern Rhône.

VINEYARDS

Séguret is one of the very best of the Rhône 'Villages', but is far less known than Cairanne or Rasteau as it's about 1/10th the size. Quality is superb and Laurence has a long term agreement with one of the best growers, whose grapes she rescued from the local Cooperative.
