## Domaine Cabirau 2016 Côtes du Roussillon

**(90-92) pts.** Tasted out of barrel, the **deep purple** colored 2016 Cotes du Roussillon (50% Grenache, 27% Carignan and 23% Syrah) offers a **medium to full-bodied, ripe, sexy and bombastic style** as well as **outstanding notes of black and blue fruits, candied violets and spice**. Drink this **Old Word fruit bomb** on release and over the following 4-5 years.

*Made by the team the at VTV co-op in Tautavel and importer Dan Kravitz, Domaine Cabirau was created in 2007... Today, the estate covers 18 acres from which they produce two cuvées... a classic Côtes du Roussillon and a Maury Sec... **These are terrific wines that show the classic fruit and minerality of the region, yet also possess a beautiful sense of elegance and purity. They should be on any wine lover's short list.***
