

Domaine de l'edre

Domaine de l'Edre 2014 l'Edre

*Jacques Castany and Pascal Dieunidou are two wine fanatics, farming inherited vines part-time in the village of Vingrau (Roussillon). With limited acreage, average yields of just over 1 ton/acre, and **consistently stellar press**, the wines are naturally in short supply, though there are plans to slowly increase production to meet demand.*

Inky **purple/black** color. Layers of dark fruit (**cassis, black cherry**) on the nose, with prominent oak, underlying mineral character, and hints of graphite. **A big wine**, with **firm tannins** and a **long, persistent finish**.

Pair with grilled **lamb, game, or prime cuts of beef**.
