

## Cave de Tain

### 2017 Arènes Sauvages

**(91-93) pts** "concentrated and silky, with meaty notes on the lingering finish. It warrants a year or two of cellaring, then should drink well for a decade."

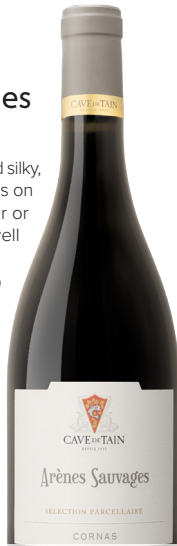

– JC, *Wine Advocate*, 12/19

**93 pts** "Sweet and velvety in texture, offering intense dark fruit preserve, salty olive and floral pastille flavors brightened by a snap of juicy acidity and a touch of cracked pepper. Hangs on with impressive tenacity... This is pretty suave for a young Cornas"

– JR, *Vinous*, 4/20
